Course Outline:

This course is designed to teach you how to build a drawing from the first few strokes up to a solid composition. Drawing can be challenging, for sure, but once you understand the process and how to get started, you will never again be intimidated by the blank page.

Course Materials:

Sketchbook

Paper

Dry media (pencil, charcoal, conté)

Wet media (ink, pens, brushes) kneaded eraser

For the first class bring a pencil, an eraser, and something to draw on. We'll discuss the rest of the materials then.
