Course Outline:

Traditional rug hooking is a very simple and fun art-craft rooted in over a century of history. All that is required to get started is learning one simple loop. Using basic household re-usable materials, one can create heirloom quality pieces for practical and decorative use. In this workshop, participants will engage in hands-on instruction with provided fabric, hoops and hooks to create a Christmas-themed ornament to keep!

Each workshop sold separately and different projects taught at each
