

W10 – Basic Watercolour

Instructor: Joseph Swanek

Sun March 19 – April 9

4 classes • 1 – 4 pm

Please Note:

- Refund requests must be made in writing to Heather Borsellino at Heather@AGB.life at least a week before the first class.
- Due to limited space, all artwork must be taken home at the end of each class.
- Pottery is the exception – pieces in process can be stored for the duration of the course but must be picked up 2 weeks after the final class.

Leave your inhibitions at home and come out and experience the latest in watercolour painting. We strip the watercolour painting process down to its bare essentials. By using only the primary colours (red, yellow and blue), one paint brush and a palette you will produce a colour chart, rendering the primary, secondary and tertiary colours. Using an unorthodox method of charting colours you will discover how easy it is to mix the colours perfectly every time. One still life study will be completed in the workshop.
