Course Outline:

Join decorative artisan Michael Wiens in this hands-on workshop that will have you looking at old furniture in a whole new shade. Students will be given an opportunity to explore new and innovative decorative paints and techniques. Students are asked to bring one item from home (ie; chair, picture frames or a small table) that they will work on during the workshop. Michael will walk you through each step, answering questions and offering advice as needed.

Course Materials:

All practice materials are included in the cost of the workshops.
