

W92 – Stained Glass Panel Original Design

Instructor: Teresa Seaton

Wed March 22 – April 26

6 classes • 7 - 10pm

Please Note:

- Refund requests must be made in writing to Heather Borsellino at Heather@AGB.life **at least a week** before the first class.
- Due to limited space, all artwork must be taken home at the end of each class.
- Pottery is the exception – pieces in process can be stored for the duration of the course but must be picked up 2 weeks after the final class.

Course Outline:

Take the skills learned from Intro to Stained Glass or equivalency to produce a final 8" x 10" panel. Fabricate and take home an original design. The final pattern will consist of 16 – 20 finished pieces incorporated into the 8" x 10" panel.

Course Materials:

There is an additional material cost of **\$75.00** payable to the instructor at the first class for all required materials and access to instructor's tools to enable students to complete one 8" x 10" panel.

List of materials provided.

- Glass
- Cutters
- Pliers
- Grinder
- Copper Foil
- Fid
- Flux
- Solder
- Soldering Iron
- Nutra Cleaner
- Patina
- Polish
- Tracing Paper
- Markers

Finished 8" x 10" panels will be taken home but **not** other tools.

More on Page 2

Class one:

Examples and samples of suitable photographic studies will be demonstrated. Students will have half hour to find images in supplied sources (or brought from home).

Photocopies will be printed and design samples and rules will be demonstrated. Students will have class time to design but may have homework.

Class two: Safety: Students will begin the class by going over safety procedures on handout provided, cut out designs in glass.

Class three:

Foil and Solder cut glass centers

Class Four:

Drop centers into background glass

Class Five:

Foil and solder and begin to frame panel with came

Class six:

Finish frame, wash patina and polish.
