

W54 — Lovable Little Critters: the basics of needle felting

Instructor: Chandra Rice

Thurs May 4 - 25

4 classes • 7 – 10 pm

Please Note:

Refund requests must be made in writing to Heather Borsellino at Heather@AGB.life at least a week before the first class.

Due to limited space, all artwork must be taken home at the end of each class.

Pottery is the exception – pieces in process can be stored for the duration of the course but must be picked up 2 weeks after the final class.

Course Outline:

Seen the adorable range of little creature's people are sharing on Pinterest? Want to try your hand at making a new little friend? Join us for this four week course where we will make a selection of loveable little critters, starting small until we are ready to tackle making our new best friend. We will cover the basics of needle felting, when and how to use an armature, how to build realistic bodies and add those adorable little details that make your critter come alive, and what shortcuts we can (and can't) use to create a whole family of friends! All skill levels welcome!

Week One: Beetles, Bugs, and Balls - the basics of needle felting

Week Two: Fat Four Legged Friends - adding limbs to bodies

Week Three: Moving Parts - how to use an armature to make a creature posable

Week Four: Your New Bestie - bring it all together to create your pinterest-worthy new friend

Course Materials:

At the first class, students can purchase a basic kit for \$20 from the instructor, which includes:

- Clover Pen Style Needle Felting Tool
- Foam Matt
- Enough fibre to make the projects during first class

Additional materials will be available for purchase at the following classes. A list of other vendors will also be made available.
