Volunteering at the Gallery

The Art Gallery of Burlington volunteer team is an integral part of our gallery. High school students volunteer hundreds of hours annually to help support our child and family programming. Our conservatory is always lush and beautiful as a result of constant care by our dedicated gardening volunteers. Gallery Guides welcome guests into our space, eager to share their knowledge of our collections and exhibitions and welcome conversations about art as you explore the gallery. Many of our gallery guides also lead school tours, hoping to inspire the next generation of artists. Have you taken a stroll through our beautiful gift shop? You were probably welcomed by one of our Art Etc. volunteers. Sometimes you will even find our volunteers out in the community, as part of our outreach team.

Interested in being a part of our dynamic volunteer team?
We have a number of opportunities in the following areas:

- Customer service/retail
