

# A38 – Creating Ceramic Sculpture

**Instructor: Nicole Clouston**

Tues Jan 8 – March 19 (no class Mar 12)

10 classes • 6:30 – 9:30 pm

## Please Note:

- Refund requests must be made in writing to Creative Programs Coordinator at least a week before the first class.
- Due to limited space, all artwork must be taken home at the end of each class.
- Pottery is the exception – pieces in process can be stored for the duration of the course but must be picked up 2 weeks after the final class.

This course is an introduction to creating clay sculptures. Students will learn how to hand sculpt clay using a variety of techniques including slab forming, carving, imprinting, modeling, and mold making. No previous experience is necessary.

Images of past students work provided by instructor

## Course Materials:

An additional material fee of \$30 is payable to the instructor at the first class for all required materials.

**See page 2**

### **Pottery Studio Procedures:**

Any class work left more than three weeks after the course has ended will be recycled, but we encourage all students to have work finished and picked up.

Please note that due to the many users of the studio; students can expect it to take a couple of weeks to get pieces bisque fired (especially if pieces are oversized MAXIMUM SIZE for pieces is approximately 20" x 20").

The Pottery studio is a shared space and all students are required to follow these guidelines;

- Mop around any areas you are working during and after the class (mop and bucket are by the emergency exit in the Pottery studio)
- Wipe down all work spaces at end of class
- Put away all tools
- Turn off and unplug all equipment at the end of class
- Store your work on the assigned shelves
