### Course Outline:

The Burlington Rug Hooking Guild invites you to drop in to learn about the history and tools of this Heritage Craft. Participants will get a chance to work alongside a guild member and try their hand at hooking. Do you have a project that you started years ago and need some guidance or inspiration to finish? Do you have a family heirloom that you want to share to learn about the techniques? Do you homeschool and want to offer your children an enriched craft experience? Sign up today for one of our two drop-in sessions

### Course Materials:

There is a \$10 material fee payable at each session to cover the cost of materials used for a take-away souvenir.
