

W10 –Needle Felt a Garden Gnome

Suitable for adults with experience

Instructor: Cathy Disbrow

Sunday May 5

1 class • 1 –4pm

Please Note:

- Refund requests must be made in writing to Creative Programs Coordinator **at least a week** before the first class.

Course Outline:

Spring has sprung! Why not learn to needle felt a whimsical garden gnome to watch over your house plants? Students will learn special techniques to create this mythical creature, like attaching a separate cone hat and applying wool locks for hair. An additional materials fee of \$15 is payable to the instructor at the class for all required materials. This course is for **intermediate students** who have taken needle felting courses in the past.

Course Materials:

An additional materials fee of \$15 is payable to the instructor at the class for all required materials.
